

Friends OF LIME KILN PARK NATURAL AREA, INC.

www.LimeKilnPark.org
(262) 853-1835

Lime Kiln Park is located along the Menomonee River, adjacent to the Village Centre. It is:

- ... the historic center of early industries with remnants of the quarry and lime kilns officially named to the National Registry of Historic Places**
- ... the location of the original waterfall from which our Village takes its name**
- ... designated as a geological area of statewide significance**
- ... host to a wetland area**
- ... a habitat for wildlife and native plant species.**

The "Friends" are a non-profit, grassroots organization of advocates in support of the village management plan for the Lime Kiln Park Natural Area and are involved in the restoration and preservation efforts.

- Become a member
- Attend monthly meetings
- Stay informed
- Be a monitor
- Grant write
- Committee tasks
- Special Events
- Nature Tours
- Educational Events
- Newsletter
- Fundraising

We are dedicated to addressing these concerns:

- Invasive plants are diminishing native plant diversity threatening the long term ecological health of this area.
- Uncontrolled and over use has created destructive footpaths and riverbank erosion.
- Limited village resources creates challenges for the Friends to generate greater citizen involvement.
